TOWN WARRANT

The State of New Hampshire

To the inhabitants of the Town of Clarksville in the County of Coos in said State, qualified to vote in Town Affairs.

You are hereby notified to meet at the Town Hall in said Clarksville on Tuesday, the 6th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to authorize the Selectmen to hire such sums of money as may be necessary to defray town charges in anticipation of taxes.
4. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town.
5. To see what sum of money the Town will raise and appropriate towards its share of the building costs of the Upper Connecticut Valley Hospital.
6. To see what sum of money the Town will raise and appropriate towards its share of the operating costs of Ambulance District A–1.
7. To see what sum of money the Town will raise and appropriate as a contribution to the Upper Connecticut Valley Mental Health Service.
8. To see what sum of money the Town will raise and appropriate for the White Mountains Region Association.
9. To see if the Town will authorize the Selectmen to repair or dispose of the Town Hall Garage.
10. To see if the Town will accept and take deed to a parcel of land across from the Town Hall Garage for a parking area, the Town to pay the costs of transfer.
11. To see what sum of money the Town will raise and appropriate to repair the abutment on the Clarksville side of the covered bridge or to take any other action relating to same.
12. To see if the Town will authorize the Selectmen to complete the office downstairs in the Town Hall using funds now available in the Town Hall and Garage Account.

13. To see whether the Town will vote to establish the office of Trustee of Trust Funds, one trustee to serve pursuant to the provisions of RSA 31:23, and to be chosen by ballot for a term of three years.

14. To see what action the Town will take in regards to the use of Revenue Sharing Funds.

15. To bring in your votes on the following article:

    Article I: To see if the Town will vote to change the Planning Board from seven members to five members.

    Yes ( ) No ( )

16. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 1st day of February, in the year of our Lord nineteen hundred and seventy-three.

DONALD E. McKINNON

REPORT OF SERVICE RENDERED IN THE TOWN OF CLARKSVILLE 1972

Mental health services for the town of Clarksville during the past year were expanded over services given in previous years. Both individuals and families have received counseling and Clarksville children have been helped through the Pittsburg schools.

Clarksville residents have received counseling, either in their homes or at the clinic office, and the schools attended by Clarksville children have been frequently visited to develop plans for assisting students with problems. Among the services being given to students are psychological evaluations; individual counseling; and counseling with families, either at school, at home, or in the Colebrook office. Plans for helping the child in the classroom are discussed with the teacher and with other helping agencies, such as special education and the school nurse.

Because the agency is locally based and operated, patients can be helped quickly, with the result that very few residents need to go on to New Hampshire Hospital or other resources out of the area.

Clarksville's contribution to Upper Connecticut Valley Mental Health Service helps in obtaining matching funds from state and other sources; and it insures that the staff is consistently available when needed. Costs are kept at a minimum without impairing quality of care; and per capita costs for our area are far below those of other rural mental health programs.

Upper Connecticut Valley Mental Health Service, Inc. meets all state and professional standards for such programs and is a full member of the New Hampshire Association of Community Mental Health Agencies.

Our staff is prepared to respond to your requests.

Respectfully submitted

BURDETTE S. ADAMS,ACSW
Executive Director

TOWN OF CLARKSVILLE
PLANNING BOARD REPORT

The Planning Board has been very busy this past year, having held thirteen meetings and one public hearing, the net results of which have been the formulation and adoption of Subdivision Regulations, the drafting of a Mobilhome and Trailer Ordinance, and preliminary work on a Town Tax Map.

The Subdivision Regulations were adopted following a public hearing at the Town Hall on September 25, 1972. The Subdivision Regulations should be thoroughly read by any persons involved in the buying and selling of parcels of land which may be used for building lots. Anyone selling land must submit a plan to the Planning Board showing all proposed subdivisions.

The Mobilhome and Trailer Ordinance is currently being held back until the method of enactment for this ordinance can be determined. This ordinance will be of particular importance to any person planning to erect a Mobilhome in the Town of Clarksville, or to any person planning to bring a trailer into the Town for more than 30 days.

Copies of the Subdivision Regulations are on file at the Town Clerk's Office and the Town Hall. Members of the Planning Board will be glad to answer any questions concerning these new regulations.

Respectfully submitted,

KEITH KIDDER, Sec.
Clarksville Planning Board

CLARKSVILLE SCHOOL DISTRICT

WARRANT

The State of New Hampshire

To the Inhabitants of the School District of the Town of Clarksville qualified to vote in District Affairs:

You are hereby notified to meet at the Town Hall in said District on Tuesday, the 6th day of March, 1973, at 10:00 o'clock in the forenoon at which time the polls will be open, followed by the business meeting at 2:00 o'clock in the afternoon, to act upon the following subjects:

1. To bring in your ballots for the election of School District Officers to be elected by ballot for the School District of Clarksville for the ensuing year(s).
2. To determine and appoint the salaries of the School Board and Truant Officer and fix compensation of any other Officers or Agents of the District.
3. To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.
4. To see if the District will vote to elect two (2) auditors.
5. To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States.
6. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for payment of the statutory obligations of the district.
7. To transact any other business that may legally come before this meeting.

Given under our hands at said Clarksville this 16th day of February, 1973.

WILMA BUNNELL, Chairman
BERTINA BACHELDAR

PROCEEDINGS OF
SCHOOL DISTRICT MEETING
March 7, 1972

A legal meeting of the Inhabitants of the School District of the Town of Clarksville was held at the Town Hall on the 7th day of March, 1972. The polls were declared open at 10:00 a. m. The business meeting was called to order by the moderator at 2:00 p. m. The warrant was read, then the meeting proceeded as follows:

Art. I Election results were as follows (by ballot):

Moderator for one year	— Gladys Ricker
School Treasurer for one yr.	— Coleman Keezer
School Clerk for one year	— Marjorie Chappell
School Auditor for one year	— Donald Biron
School Board for three years	— Bertina Bacheldar

Art. II Donald McKinnon motioned that the school salaries remain as they were this past year. Leona Hurlburt seconded the motion. (20 in favor, None opposed.)

Art. III Raymond Lanctot and Ronald Chappell briefly reported that the AREA concept meetings had been postponed until the Pittsburg Town Meeting today.

Art. IV Bertina Bacheldar explained the Early Childhood Program for 1972—73. Rena Ricker motioned to pass over the article and Leona Hurlburt seconded it. (19 in favor, 1 opposed.)

Art. V The budget was read and discussed. Curtis Brooks motioned not to raise the $150.00 for dental work for the children. This leaves a balance of $40.00 to cover the cost of the testing required in the health program. (11 in favor, 1 opposed.)

Curtis Brooks moved and Robert Conroy seconded to have the budget passed, except for the $150.00. This makes the school budget total $33,054.00 for the school year 1972—73. (15 in favor, None opposed.)

Art. VI Curtis Brooks motioned that the school board make application for and accept on behalf of the school district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States. Donald McKinnon seconded it. (10 in favor, None opposed.)

Art. VII A truant officer is to be appointed by the school board. No other business came before the meeting. Curtis Brooks moved to close the meeting. Rena Ricker seconded it. Voted to close.

MARJORIE CHAPPELL
School Clerk

SUPERINTENDENT'S REPORT

The educational program at Pittsburg School has had a number of changes introduced in the past few years. Most significant has been the revision of the junior high and high school science programs. General science for grades 7, 8 and 9 has been replaced with a program called "Introduction to Physical Science" (IPS). Through the assistance of NDEA federal funds and local support, the entire course has been up-dated and an interesting and exciting science program is being provided.

A number of grades in the elementary school are participating in a problem solving approach to science. The school district was fortunate to have been chosen to participate in the program, at no cost to the district, by the Educational Development Research Center in Newton, Mass. The program develops a broad interest in science which also requires that a pupil use his other skills in arithmetic, language arts, and social studies.

For the past two years, the school district has received a federal grant to help implement a career education program in the high school. As a result, a great deal of printed materials on career occupations were purchased through the funds and a program built into the curriculum whereby people with different occupations from Pittsburg and the surrounding communities will be asked to come to school to discuss their occupations and various fields of work with interested youngsters.

Educational field trips, a rare occurence in the past, are now being realized as a worthwhile educational experience and the caliber of the trips to Concord and Boston this past year are to be commended.

Pupil services being offered at the school include speech therapy, library services, music, health services and guidance services which all add to the total educational program at Pittsburg School.

Athletics, an important outside part of the school program, is helping develop character and a good sportsmanship attitude for life. Congratulations are also in order for the high school track team for winning the Class "S" state track meet last fall.

Although classified as an "Approved" high school, the Pittsburg School District can stand proud on the educational program it provides for its youngsters, both on the elementary and secondary level.

Respectfully submitted,
STEPHEN E. DEHL
Superintendent of Schools

GUIDANCE COUNSELOR'S REPORT

Guidance is a continuous developmental process which ideally should enable each student to understand himself better, to make sound decisions, to develop healthy attitudes and to achieve an awareness of his responsibility to himself and to others. Listed below are some of the activities directed toward these ends which have been initiated during the past year.

1. Each student's Cumulative Record Folder is being updated.
2. A Profile Sheet has been developed for each student in Grades 9—11 inclusive. This sheet contains information gathered concerning the student's ability, aptitudes, achievements, attitudes, interests and personality. The development of these sheets is an ongoing process with new information being added as it is obtained.
3. A Career Development Program utilizing one period a week has been instituted in the Pittsburg seventh and eighth grades and the Stewartstown eighth grades.
4. A follow-up by phone or personal contact has been made in the case of each of last year's Seniors in order to ascertain exactly what they are doing as related to what they had intended to do.
5. A system of referrals for handling special cases in cooperation with the Upper Connecticut Valley Mental Health Services Inc. has been set up. Each referral necessitates at least one home visitation on the part of the Guidance Counselor.
6. In a number of cases, evening interviews have been held with students (past or present) and /or their parents concerning Educational or Career plans.
7. A Guidance Inventory Survey intended to predict needed changes which could possibly prevent certain students from becoming problems or drop-outs has been administered to every Pittsburg student in grades 9—11 and to Freshmen in Colebrook.
8. A Strong Vocational Interest Survey has been administered to individual Seniors who were completely unsure of future plans. The results of these Surveys have been discussed with each student concerned.
9. Arrangements have been made for students to meet with representatives of colleges and also representatives of the Armed Services.
10. The Armed Services Vocational Aptitude Battery has been

administered to nearly all students 9—12 and the results are being discussed with each student concerned.

11. Juniors planning to continue their schooling after finishing high school took the Preliminary Scholastic Aptitude Tests in October and the results have been discussed with each student concerned.
12. Over 200 individual interviews have been held with Seniors concerning their future educational or career plans.
13. Similar conferences with Freshmen, Sophomores and Juniors have been, or are being, held.
14. Educational and Career Information has been made increasingly available to students.

I hope that the activities described above will give you some idea of the work that is being done in Guidance.

Respectfully submitted,
JOHN M. SHIELDS
Guidance Counselor

SCHOOL HEALTH

The objectives of a school health program are to perform the necessary functions to maintain and promote good health for all the pupils in our schools.

Each year the following services are performed: checking heights and weights, testing vision and hearing, physical examinations for students in grades 4, 8, 11 and those participating in athletic sports, T. B. skin tests as recommended by the T. B. Association which included all personnel in Supervisory Union 7 this year, immunizations as needed, pre-school clinics which include immunizations, physicals, T. B. and urine tests, home-visits for follow-through health care as deemed necessary, promotion of good mental health with the assistance of Upper Connecticut Valley Mental Health Services, first aid and emergency care, health teaching and counseling, and continuous supervision of general health.

The Matching Fund Dental Program sponsored by state and local monies was utilized again this year with many students receiving dental care.

This year the P. T. O. sponsored a program on venereal disease to junior and senior high school students through the Department of Public Health.

North Country Education Services again provided speech therapy for all students in Supervisory Union 7 requiring help.

The American Cancer Society provided films for all junior and senior girls and their mothers for early detection and treatment of cancer.

Two hygienists from the Dental Bureau in Concord presented a very thorough and interesting program on the care of teeth to all elementary students in the area including St. Albert's School and Our Lady of Grace Elementary School.

There was a pre—school hearing and vision clinic in May sponsored by the N. H. Division of Public Health for early detection of defects.

Each year we strive to improve the health program. With everyone working together, it is hoped that we can achieve our goal in this endeavor.

Respectfully submitted,
SARAH CUMMINGS, R. N.
School Nurse
